SPONSORSHIP OPPORTUNITIES

November 18–19, 2026

Hyatt Regency Boston/Cambridge
Cambridge, MA

The 2026 Personalized Medicine Conference convenes the field's most influential voices in the industry's most anticipated gathering of the year.

Leading business executives, clinicians, researchers, journalists, patient advocates, and policy leaders convene annually at the Personalized Medicine Conference for substantial dialogue in an intimate setting, developing collaborative solutions to shared challenges in personalized medicine.

As PMC marks the 20th Annual Personalized Medicine Conference, sponsors have a unique opportunity to align with the leaders, ideas, and relationships shaping the next era of personalized medicine.

With a range of opportunities designed to meet a variety of strategic goals, sponsors can take center stage through a Premier Conference Sponsorship, host exclusive experiences like the Leadership Dinner or Signature Reception, or engage attendees through high-impact touchpoints across the conference. We'll help you create a presence that delivers meaningful visibility and lasting impact.

Sponsorship opportunities are limited. Exclusive placements, speaking opportunities, and major branded experiences are available on a first-come, first-served basis.
